MI AMOR

DKF - , France, thriller, for ages 15 and up

Romy (Pom Klementieff), a Parisian DJ on the verge of a major career, arrives in the Canary Islands to perform at a late-night techno party. The next morning, she wakes up alone in her hotel room: her best friend, Chloé, has vanished without a trace. The local police respond with indifference, and the locals with silence. The only one who decides to help is Vincent (Benoît Magimel), a club owner with a dark past whose intentions are impossible to fully decipher. Romy's search leads her from the appearance of a tourist paradise to its unsettling face: underground corridors and shady clubs.
